Objectives

Looking for opportunities to learn, develop new skills, and excel while continuing my education.

Looking for an internship to build on my education, and move into a professional position.

Attributes

Self starter, able to see things that needs to be done and how to do them. Understand how things work, fix them and/or make them more efficient. Quick learner that enjoys working hard. Proficient with: computers, Internet usage, and office equipment. Dependable and always complete tasks assigned to me.
